**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

I am currently a customer of the company.

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

Yet another increase (3rd in 6 years) by TCWS would not be necessary if regular and routine maintenance and long range capital improvements had been properly handled. The fact that TCWS has done virtually no upgrades until forced to do so, and yet has received some of the highest water/sewer rates in the southeast shows lack of business management, and is NOT justification for an increase for the residents of Tega Cay.

**3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \***

No.
